***Reasons For Allowance***

1. The following is an examiner's statement of reasons for allowance: Claims 1, 13 and 15 are patentable over the prior art patents and printed publications because of the specific configuration of the vacuum device provided to the imaging drum of an image processing apparatus, the imaging drum including a drive end wall and a vacuum end wall, wherein the vacuum device comprising a blower for creating a vacuum supply to the imaging drum for holding the print media on the imaging drum, and at least one vacuum piston for creating a second vacuum supply to the surface of the imaging drum, and wherein the vacuum piston is mounted in the drive end wall or the vacuum end. This serves to even securely hold the print media against the external surface of the imaging drum. The combined limitations as claimed are is not taught by the prior art of record considered alone or in combination.

Claims 2-12, 14 and 16-21 are allowed because they are directly or indirectly dependent from the aforementioned claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
